# Do you have a MailChimp Newsletter?

MailChimp users can use this pre-built Green Living Show template to easily promote their presence at the Show to subscribers. Don't forget to include your booth number!

[Click here to get started!](#)

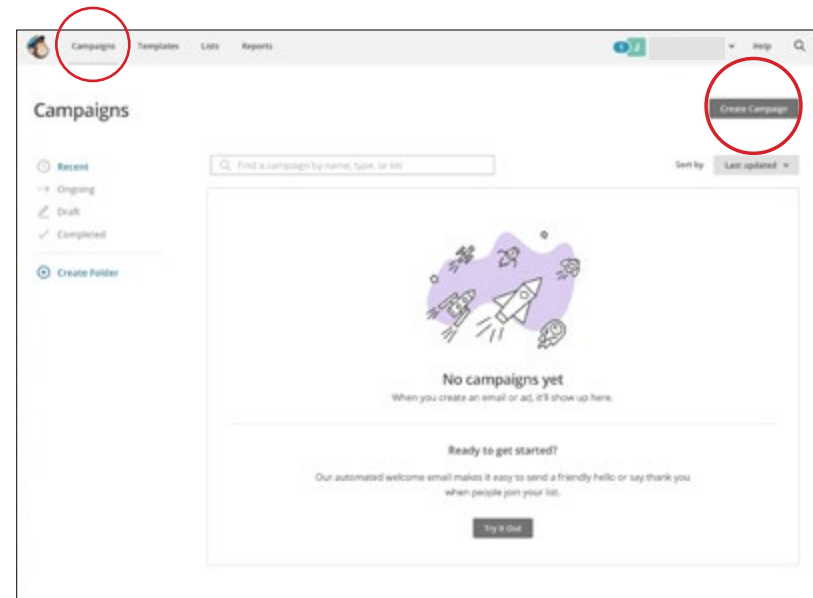

# Step 1

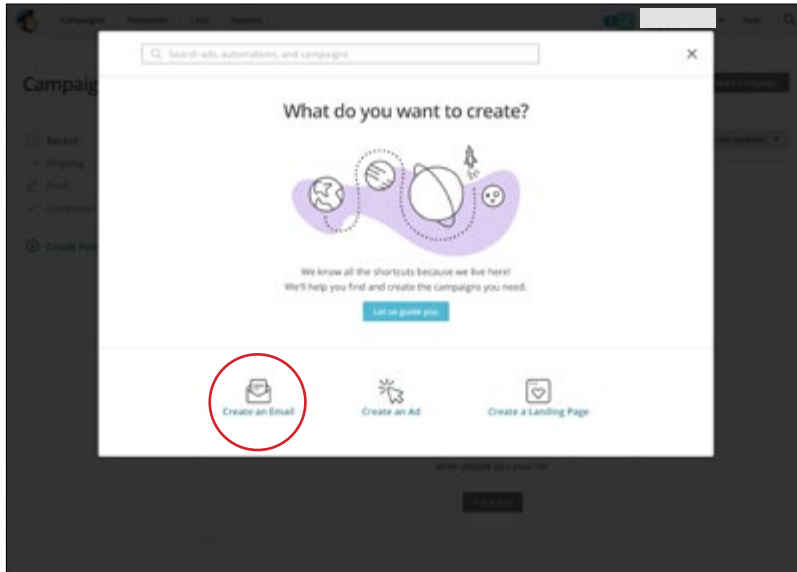

Your new template should now be loaded into your templates folder.

# Step 2

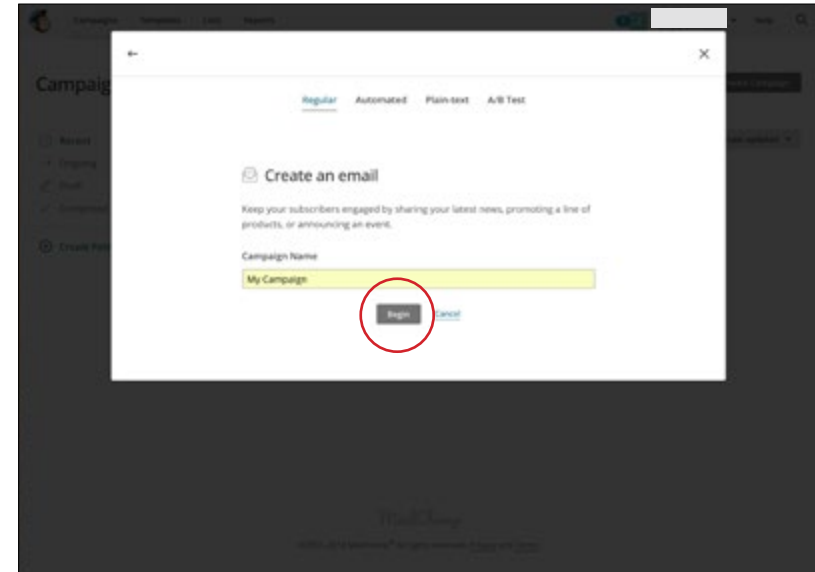

Start your new campaign.

## Step 3

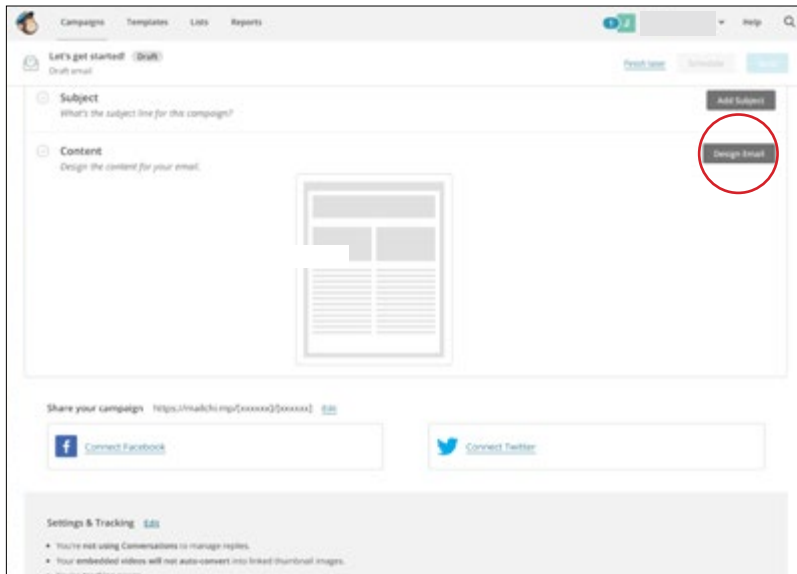

Choose to "Create an Email"

## Step 4

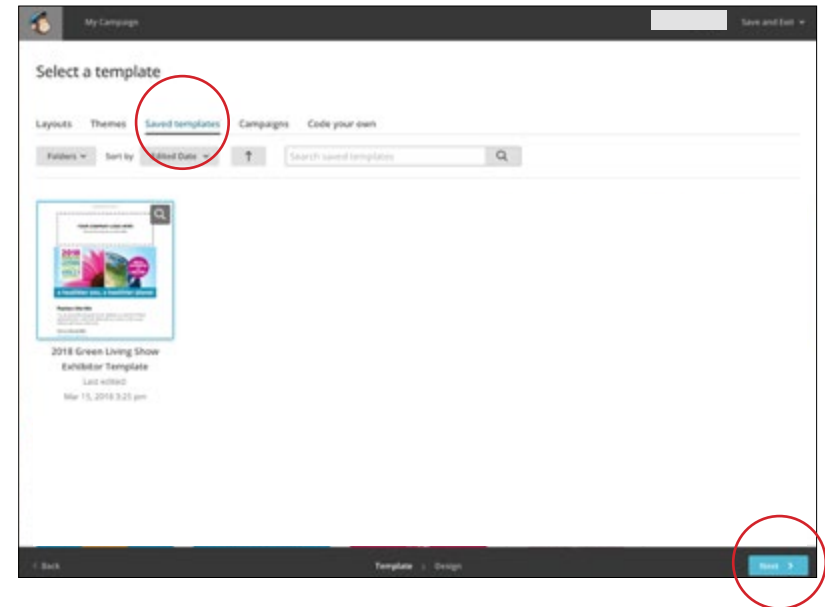

Name your new Campaign and click "begin"

## Step 5

Click "Design Email"

## Step 6

Choose "2018 Green Living Show Exhibitor Template" as your email's template and click "Next"

## Step 7

In your final step, you will want to replace, with your logo, any image with the title...

**“YOUR COMPANY LOGO HERE”**

Make sure your logo is no larger than 600px wide.

You will also have the option to change the paragraph text to let your subscribers know more about your appearance at the Show.

Make sure you update your correct booth number so they can find you. As well as update your social handles.
